

WINDOWS

9990 HORIZONTAL SLIDING

LONG-LASTING, LOW MAINTENANCE BEAUTY

The timeless 9990 Horizontal Sliding Vinyl Window will beautifully frame your view while providing optimum thermal performance. Strong fusion-welded construction, insulated glass, and multi-chambered frame all provide energy efficiency and seal out the elements.

Whenever, wherever, we
make your experience better.

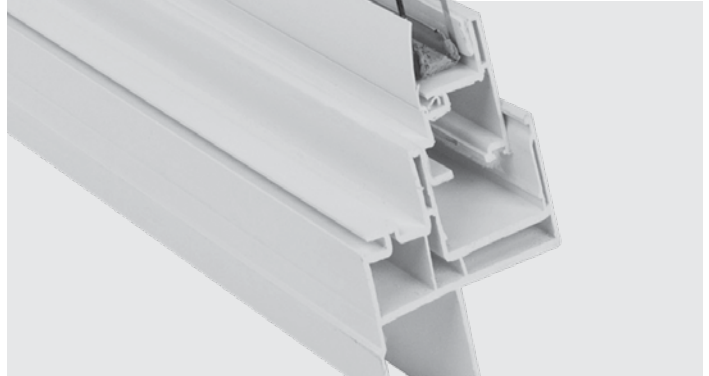

MAINTENANCE-FREE VINYL

Colonial Brick Mold

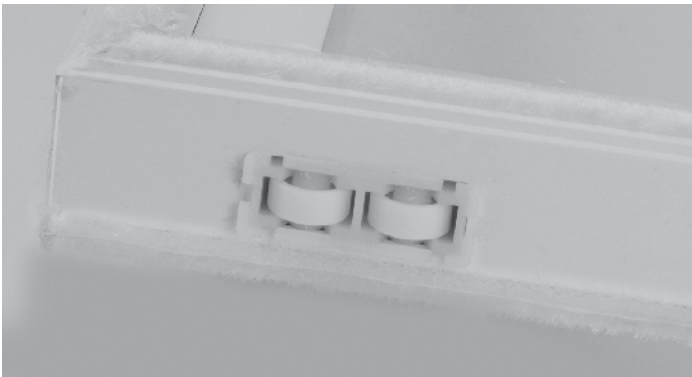

Brickmold eliminates the need for additional exterior frame accessories and covers the raw edge of the siding for a clean appearance

Multi-Chambered Frame

Multi-chambered frame and sash provide increased rigidity and energy efficiency.

Roller System

Roller system provides smooth and easy operation

Additional Features

- Vinyl construction provides high thermal performance
- Weathertight fusion-welded construction
- Reinforced vinyl extrusion
- Dual weather seal reduces drafts and enhances energy efficiency
- 3/4" insulated glass with multiple glazing options
- Roller system provides smooth and easy operation
- Robust rail adds strength and stability, eliminating the need for installation clips or bands
- Integral pull makes it easy to open and close
- Available in white, clay and black
